The State of New Hampshire
WARRANT FOR THE ANNUAL TOWN MEETING

To the Inhabitants of the Town of Salisbury in the County of Merrimack in said State, qualified to vote in Town Affairs:

Voting from 1 P. M. Business Meeting 7:30 P. M.

You are hereby notified to meet at the Town Hall in said Salisbury on Tuesday, the 11th day of March, next at one of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To elect one Selectman for three years.
4. To elect a Town Clerk for three years.
5. To elect a Tax Collector for three years.
6. To elect a Treasurer for three years.
7. To see if the Town will vote to accept the budget as submitted by the Budget Committee.
8. To see if the Town will vote to raise and appropriate such sums of money as may be necessary for the Town Budget.
9. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money on notes of the Town in anticipation of taxes.
10. To hear reports of agents, auditors and officers heretofore chosen.
11. To see if the Town will vote to raise and appropriate a sum of money for the control of White Pine Blister Rust (estimate \$64.00).
12. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such audit (estimate \$200.00 and included in Town Officers Expenses Appropriation).
13. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the Franklin Regional Hospital (included in Health Appropriation).
14. To see if the Town will vote to use \$2500.00 of the Capital Reserve Fund interest for road maintenance in the Flood Control Basin.
15. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the purpose of publicizing and promoting the natural advantages and resources of the Town together with other towns in the Dartmouth-Lake Sunapee Region.
16. To see if the Town will vote to raise and appropriate the sum of \$1500.00 to defray costs of reassessing Town; said amount to be added to Town Officers Expenses.
17. To see if the Town will vote to authorize the Tax Collector to accept payments in advance of 1969 property taxes; and, to also authorize the Tax Collector to give a graduated discount of advance payment of 1969 property taxes, said graduation as follows: April 1st to May 31st 2%; June 1st to June 30th 1½%; July 1st to Aug. 1st 1%.

18. To see if the Town will vote to authorize the Selectmen to accept bids on the road scraper or do anything in relation theretofore.
19. To see if the Town will vote to adopt proposed by-laws regulating trailers, mobile homes, and mobile home parks in the Town of Salisbury, a copy of which is on file with the Town Clerk where it may be examined by interested persons. (Submitted by Salisbury Planning Board).
20. To see if the Town will authorize the Selectmen to execute a lease to the Salisbury Historical Society for the building known as the "old library and hearse house" for a term of years on condition that the Society agrees to repair and maintain the building for museum and storage purposes during the lease, subject to such rental charge as the meeting or Selectmen may determine. (Submitted by the Salisbury Hist. Soc.)
21. To see if the Town will vote to raise and appropriate the sum of \$2000.00 for the purpose of installing lavatory facilities in the Town Hall or do anything in relation theretofore.
22. To see if the Town will vote to establish a Capital Reserve Fund for the purchase of a fire truck and transfer \$3000.00 from its encumbered surplus remaining at the end of the fiscal year to this fund.
23. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 8th day of February, in the year of our Lord nineteen hundred and sixty-nine.

POLICE DEPARTMENT

The Police Department answered 36 calls which consumed approximately 75 hours and 287 miles. This does not include the time donated by Chief Don Nixon, Richard Ballam, John and Arthur Schaefer, Don Powell, William Baker, and Ed Bailey during the three days of the Bi-Centennial. The Town is extremely grateful to these men for all these hours. This is just one more reason why our 200th celebration was such a terrific success.

FIRE DEPARTMENT REPORT

During the past year your Volunteer Fire Department answered twelve calls; six chimney fires; two grass fires; one call to the Town Dump; two house fires; and one call for smoke reported in a cellar. Mutual Aid from Webster was called to one of the house fires.

The final session of school for learning the proper use of the Scot Air Pacs was held in the spring and diplomas were received by several of the men. After the completion of that school, the men attended another month of sessions on pumps, hose and water relaying.

Sincere appreciation is extended to the men for purchasing their own fireman's hats as a start towards the fireman uniform.

Like everyone else, we took part in the Bicentennial Celebration. We wish to thank everyone who helped us in any way at that time and our sincere thanks to those who have helped us throughout the year.

Your FIRE PHONE number is 8-2200.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

Lawrence Bowne, Warden — Gerald H. Hight, District Chief

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
 - a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on *grass* by householders between 9.00 A. M. and 5.00 P. M.
 - c. Have equipment on hand to control the fire *before* you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

SALISBURY HISTORICAL SOCIETY

The Bi-centennial Year is a red-letter one for any historical society and Salisbury's own Society enjoyed every moment of its participation in our Town's 200th anniversary.

The Society got a headstart in June by hosting the annual meeting of the N. H. Association of Historical Societies. It was an interesting experience to meet others from all over the State who shared our pleasures in society endeavors.

For the Bi-centennial celebration in July, the Society arranged to open five homes in Salisbury and to have the Daniel Webster Birthplace included in our tour. About three hundred delightful and delighted guests visited with our host families, took tea at the Society building and, in general had a fine time. The evening before, on Friday, the Society had given a supper at the Town Hall which had been well-attended. The Society also had a booth at the Fair and participated in the Parade. All in all, it was a busy time for our members.

Restoration of the Society building at the Heights will continue with the return of good weather. In the past year we have had the foundation restored and the building leveled. The clock is restored to good running and chiming order (except in snowstorms and east winds when it simply stops) and the electrical work in the building has been nearly completed. In the coming year it is hoped to restore the plaster, repaint the interior and do whatever more interior work is needed.

It was particularly gratifying for our efforts to have been noted by the National Association of State and Local History. Their commendation award is especially precious because, in most cases, it is given to organizations much larger and much longer established than ours. It really puts the seal of approval on what we know to be just the beginning of long and lasting accomplishment.

LIBRARIAN'S REPORT

This year many new books have been added to our shelves. Some have been gifts of Salisbury residents and some have been purchases of the library. Our library friends have also brought in magazines of widely varied interest – Antiques, Coins, U. S. News and World Report, Scientific American, National Geographic and many more. Thanks to the State's grant of \$100 per year for reference books, our basic reference shelf is growing for the use of scholars and other fact-finders. A particular effort is being made in adding to our how-to-do-it-yourself collection – cookbooks, home and auto repairs, furniture fixing, etc.

The biggest single help we have had is the new heating system in the Library. The ease of operation and the cleanliness have to be experienced to be appreciated – and we are the first to say thank you!

The Friends of the Library have helped in many ways to make the Library more attractive and volunteers from the organization are helping by keeping the Library open two extra hours every week.

It is hoped that more of the townspeople will take advantage of the chance to read and enjoy the many fine books in our Library and also the ones brought in every three months by the State Bookmobile.

ARVILLA FOGARTY, Librarian

FRIENDS OF THE LIBRARY

The Friends of the Library spent a busy year working to effect changes in the looks of the Library room in the old schoolhouse at the Heights. Money was raised for the purpose by members making and raffling a knitted afghan and a lamp.

Through the kind efforts of Messrs. Robbins, Dexheimer and Blodgett new sections of shelves for Bookmobile and children's books were built and painted. The Friends of the Library also bought a screen door and paid for repairs to the doorframe of the building. An all-out cleaning campaign was put forward and a thorough job was done, resulting in a transformation in the looks of the room. Mr. Edwin Manson's thoughtful efforts and the generosity of Emerson Manufacturing Co. contributed a new librarian's desk and chair. Additional furniture was given by members and draperies were also made by the members.

Memorial books were given by the Friends of the Library and by members of the group. In all cases, these volumes are of classic or reference type.

Friends of the Library volunteers continue to keep the Library open on Friday nights from seven to nine and to work the monthly book-swap program with the elementary school. In the latter, Bookmobile books for the age levels included in our school are ferried from the Heights directly to the school so that the children may enjoy them without having to be brought to the Library itself.

To celebrate our year of hard work on behalf of the Library, the Friends gave a Christmas tea and open house in the newly refurbished library room. The affair was well-attended by old friends and new.

**PROPOSED BY-LAWS REGULATING TRAILERS,
MOBILE HOMES AND MOBILE HOME PARKS
IN THE TOWN OF SALISBURY**

Be It Enacted by the Town of Salisbury in town meeting convened:

1. **Prohibition.** It shall be unlawful to park, use or occupy trailers, semi-dependent mobile homes and mobile homes in the Town of Salisbury, except as provided in these By-Laws.

2. **Parking.** While unoccupied and not in use, a trailer, semi-dependent mobile home or mobile home with wheels attached may be parked by the owner of the same on premises owned or leased by him; provided that no such unit shall be located in the front yard of an occupied lot, nor, in the case of a vacant lot, closer than 50 feet to the center-line of any public highway on which such lot abuts. Also, no such unit shall be located closer than 10 feet to any side or rear property line of the lot upon which it is parked.

3. **Occupation or use as living quarters.** No trailer or semi-dependent mobile home shall be occupied or used as living quarters in the Town of Salisbury, except by *bona fide* transients in a licensed mobile home park. No mobile home shall be occupied or used as living quarters in the Town of Salisbury, unless located in a duly licensed mobile home park maintained as hereinafter provided.

4. **Mobile Home Parks.** No premises shall be used or occupied as a mobile home park in the Town of Salisbury except under permit as hereinafter provided. The Board of Selectmen may issue a permit for the use of premises as a mobile home park, provided the Board finds that the proposed park will comply with each of the following requirements:

(a) The total area available in the park shall be not less than five acres. Trees and shrubbery, if not already existing, shall be planted and maintained so as, in a reasonable time, to provide an effective screen between mobile home parking spaces and the public highway and between mobile home parking spaces and abutting properties. No mobile home parking location shall be closer than 150 feet to the center-line of any State highway nor 100 feet to the center-line of any Town highway, closer than 30 feet to any side or rear property line of the mobile home park, nor closer than 300 feet measured in a straight line to any dwelling place existing, or under construction, at the time of consideration by the Board of Selectmen of the application for a mobile home park permit;

(b) There shall be provided for each mobile home an assigned location having an area of not less than 20,000 square feet, with at least 100 feet of frontage on a public or private road, which shall be plainly marked with suitable permanent boundaries at each corner. The maximum number of mobile home locations in any mobile home park shall be thirty-five. There shall be a minimum distance of 25 feet between mobile homes as actually parked at their assigned locations.

(c) There shall be provided, in association with each mobile home space, a space not less than 8-1/2 feet wide and 20 feet long for convenient off-street parking of at least one motor vehicle. Such off-street parking space shall be not

closer than 20 feet to any mobile home other than the mobile home with which it is associated;

(d) Roadways in mobile home parks shall be of a minimum width of 30 feet. All roadways shall be well drained, gravelled or paved, and shall be maintained in good and safe condition at all times. All park roads as well as any common parking areas provided in parks for groups of two or more mobile homes shall be lighted at night;

(e) The water supply, sewage and all other sanitary and public health arrangements at the park shall conform with all applicable regulations and standards for trailer and mobile home parks as promulgated by the State of New Hampshire Department of Health and Welfare, or any other State agency having jurisdiction in the premises;

(f) All spaces beneath mobile homes shall, upon the responsibility of the owners, be closed off with skirting or other appropriate means, such as lattice-work;

(g) No permit shall be issued for a mobile home park unless the Board of Selectmen shall find that the specific premises proposed for the park are well adapted to such use, that a mobile home park will not be detrimental to the neighborhood, or to the community at large and that the applicant is a person entitled to public confidence.

5. Conditions of Permit. Any permit granted by the Board of Selectmen for the development of a mobile home park shall be upon the following conditions:

(a) The applicant shall undertake and agree to abide by all provisions of these By-Laws, and further to supply a copy of these By-Laws to any person in charge of a mobile home prior to permitting him to locate such a unit at a park existing pursuant to permit granted hereunder;

(b) Failure to comply diligently with any provision of these By-Laws, either by the proprietor of a park or by persons in charge of mobile homes located at any park shall constitute a ground for termination of the permit for the park;

(c) A true copy of any permit for development or operation of a mobile home park shall be kept prominently posted at the park at all times.

6. Procedure for permits. The following procedure shall apply to all applications for permits for the use of premises for a mobile home park:

(a) Application shall be made in writing upon a form approved by the Board of Selectmen, stating the location and legal description of the mobile home park for which permit is sought, the approximate number of mobile homes to be accommodated, the proposed water supply, the proposed method of sewage, waste and garbage disposal, the proposed lighting system, and the names and addresses of the proprietors of the park;

(b) Every application for a mobile home park permit shall be accompanied by each of the following:

(1) An accurate plan of the proposed park showing roadways including highway entrances as well as drains and culverts, mobile home and vehicular off-street parking spaces, water and sewer lines and facilities, utility and street

lighting poles, and all other material physical features and relevant improvements to be made at the site;

(2) Certificate of the Town Health Officer or a physician licensed to practice in New Hampshire addressed to the Board of Selectmen that they have examined the site and the plans and specifications for the project and that in their opinion the project, if developed as proposed, will comply with all applicable State and local laws and regulations governing water supply, sewage and sanitary arrangements or otherwise governing the development and operation of such a project for the protection of the public health;

(3) Certificate of the Town Road Agent that the plans for access to the public highway from the proposed park as well as for roadways within the park have been examined by him and that the said entrance and roadways, as proposed, will be safe and convenient and in accordance with good standards of design and layout;

(4) Certified check of the applicant for permit fee payable to the order of the Town of Salisbury in the amount of \$25.00.

(c) Upon receipt of application for permit with all proper supporting documents, the Board of Selectmen shall review the same. In the event that it clearly appears that the application fails to comply with the standards of the By-Laws, it shall reject the same, setting forth its reasons in a written decision and shall return to the applicant the certified check deposited by him. In the event that it appears that the application may meet all requirements of the Ordinance, the Board of Selectmen shall hold a public hearing upon the matter at the Town Hall, at which all interested persons may be heard. Notice of the time, place and subject matter of such hearing shall be published in a newspaper having prominent circulation in the Town of Salisbury and shall be posted at three public places in the Town not later than ten days in advance of such hearing, costs of publication to be paid by the applicant;

(d) If, after public hearing, the Board of Selectmen finds that all requirements and standards imposed by these By-Laws are met by the proposed application, it shall grant its preliminary permit for the construction or development of the proposed park area, and the applicant may thereupon commence the improvement of the proposed area as a mobile home park in accordance with the application submitted. Any such preliminary permit shall be valid for one year from the date of the decision authorizing it. Upon the issuance of an approved preliminary permit, all right of the applicant to the \$25.00 permit fee shall lapse. In the event that after hearing the Board of Selectmen shall find that the applicant is not entitled to a permit under these By-Laws, it shall record its decision, and the reasons therefor in writing, furnishing a copy to the applicant and returning to him with its decision the \$25.00 permit fee deposited;

(e) Upon the completion of development of a proposed mobile home park and when the same is ready for occupancy, the holder of a preliminary permit shall notify the Board of Selectmen, which shall thereupon make such investigation of the completed project as it deems proper to ascertain that all

requirements and standards of these By-Laws and all conditions of the preliminary permit have been met. Upon its finding that there is such compliance, the Board of Selectmen shall thereupon issue its definitive or final mobile home park permit embodying such permanent requirements and conditions as are hereinabove provided for. No mobile home units shall be occupied at any mobile home park until a final mobile home park permit has been issued for it;

(f) A final mobile home park permit shall be for a term of 10 years. It shall be subject to renewal for additional five-year terms upon application duly filed, but only in the event that after such investigation as the Board of Selectmen may deem proper to make, it finds that the park continues in all standards and requirements for a definitive permit hereunder. A renewal permit fee of \$10.00 shall be charged for each five-year renewal term;

(g) Any person operating a mobile home park at the time of adoption of these By-Laws shall be entitled as a matter of right to a special mobile home park permit upon the payment of an application fee of \$25.00. Such permit shall be effective to authorize the continuing operation of the subject park in substantially the same manner as existed at the date of adoption of these By-Laws, subject only to any overriding limitations of applicable State law, with respect to which these By-Laws do not control. A special mobile home park permit shall not entitle the holder to enlarge or substantially alter his manner of operation of such prior existing mobile home park without duly filing for a preliminary and thereafter final or definitive mobile home park permit as provided herein;

(h) No mobile home park permit shall be transferrable, and there shall be no refund if a permit is not used for its full term. Every person holding such a permit shall give notice in writing to the Board of Selectmen at least fifteen (15) days before any transfer of an interest in, or control of, a mobile home park, other than a transfer in mortgage as security for a *bona fide* loan. If, upon such a transfer of any interest in or control of a mobile home park, the Board of Selectmen is satisfied that the transferee is a person entitled to public confidence, it may cause a new permit to be issued to said transferee for the unexpired term of the existing permit, upon payment of the sum of \$10.00. The transferee, however, must conduct the mobile home park at the same location at which it was originally licensed. This provision is not to be interpreted to allow new mobile home parks or the extension of any existing ones.

(i) Any mobile home park permit may be revoked or suspended by the Board of Selectmen at any time, if, after a due investigation, notice and hearing, the Board finds that the holder thereof has violated any of the provisions of these By-Laws or that the mobile home park is being maintained in an unsanitary or unsafe manner or is a nuisance.

7. Continuing Supervision. The Board of Selectmen are hereby authorized to make semi-annual inspections to determine the condition of mobile home parks in order that the health and safety of occupants and of the general public shall be

properly safeguarded, and it shall be the duty of the owner of the mobile home park to afford to the Board of Selectmen free access to such premises at reasonable times for the purpose of inspection. Each mobile home park owner shall maintain a register for the registration of all mobile homes and the occupants thereof, which register shall include the following information, as well as any other facts that may be requested by the Board of Selectmen, who are the Town Assessors:

(a) Name and permanent address of the owner of the mobile home or of the occupant in charge of it;

(b) For each owner or person in charge of a mobile home:

(1) The make, serial number, year of manufacture, length and width of the mobile home which he owns or occupies;

(2) The number of the parking location in the park assigned to the particular mobile home;

(3) The date of arrival of the mobile home at the park.

It shall be the duty of the owner of a mobile home park to notify the Board of Selectmen of the date of intended departure of a mobile home from his park as soon as he learns of the intent of the owner of a unit to remove it.

8. Grandfather Clause. Any trailer, semi-dependent mobile home or mobile home located in the Town of Salisbury as a non-conforming use for living quarters at the time of adoption of these By-Laws may be continued as a non-conforming use for living quarters thereafter and may be replaced by a different unit to which the same right of non-conforming use shall thereafter attach; provided that the original non-conforming unit shall be removed incident to such replacement.

9. Definitions. The following words as used herein shall have the following meanings:

(a) **Mobile Home.** Any vehicle used or so originally constructed as to permit its being used as a conveyance and as a dwelling or sleeping place for one or more persons, and provided with running water, lavatory, toilet, and bathtub or shower, whether or not such vehicle is actually immobile because of temporary or permanent utilities, connections, foundations, or other features attached to a fixed site.

(b) **Trailer.** A mobile home which does not have a toilet and a bathtub or shower.

(c) **Semi-dependent Mobile Home.** A mobile home which is equipped with some but not all of the following: running water, lavatory, toilet, bathtub or shower.

(d) **Mobile Home Park.** Any parcel of land which is used or intended for the purpose of supplying to the public parking spaces for two or more mobile homes, regardless of whether or not a charge is made for such accommodations.

(e) **Owner.** The person in charge of, apparently in charge of, the manager or the director of, any mobile home park, whether it be owned by an individual, corporation, partnership, or other person as defined herein.

(f) **Board of Selectmen.** The Board of Selectmen of the Town of Salisbury.

(g) **Preliminary Mobile Home Park Permit.** A permit issued by the Board of Selectmen to construct, create, develop, enlarge or improve a mobile home park.

(h) **Final or Definitive Mobile Home Park Permit.** A permit for the occupancy of a mobile home park after its development under a preliminary mobile home park permit.

10. Enforcement and Penalty. Any person who is convicted of a violation of any provision of the By-Laws may be fined not more than \$10.00 for each offense, and each day's violation shall be considered a separate offense. The Board of Selectmen shall enforce these By-Laws and are authorized, in the name of the Town of Salisbury, to apply to the Superior Court for an injunction to restrain continuing violations thereof.

11. Separability. Each and every provision of these By-Laws shall be deemed separate, distinct and severable provisions, and the invalidity of any provision, either on its face or as applied to a particular case, shall not affect the validity of the remaining provisions.

12. Takes Effect. These By-Laws if adopted at this meeting shall become effective fifteen days after the date thereof and shall be recorded in full by the Town Clerk with the proceedings of this meeting.
